

Pilot Responsibility with Operational Maintenance

Join us for the Wings of History Museum annual open house and South County airport day. Learn about the responsibilities of the pilot and owner/operator of an aircraft regarding maintenance. Even though your airplane is within a current annual inspection that does not mean your aircraft is airworthy.

Directions: Wings of History Museum at San Martin Airport

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
